To whom it may concern,

I am writing to provide a strong recommendation for Safety Squads and their exceptional services. Over the past three years I have had the privilege of working directly with Jeff and his team and I have consistently referred them to numerous clients.

Safety Squads is dedicated to providing well-trained personnel who specialize in assessing safety challenges that arise as we age in our homes. Their commitment to punctuality, reliability and attention to detail ensures that you can age in place safely and comfortably.

I had the pleasure of having Safety Squads conduct a comprehensive assessment of my own home. The information they provided was invaluable and gave me peace of mind knowing that my home was secure and suitable for aging in place.

What sets Safety Squads apart is their professionalism and holistic approach to ensuring your well-being in your home as you age. They truly understand the unique needs and concerns that arise with aging and they go above and beyond to address them.

I wholeheartedly recommend Safety Squads for anyone in need of their services. Their expertise and dedication make them an exceptional choice.

Sincerely,

John T. Drakulich
